Invites You to the**

**2024 Symposium on Brain Health
How to Live Your Best Life**

National AARP Representatives will be providing an educational seminar about brain health. Lisa Dedden Cooper and Dr. Surae Eaton MD will offer an educational program and answer questions about the Six Pillars of Brain Health. The program focuses on developing the skills to maintain a healthy brain and empowering people with steps to improve their brain health at any age. LWVJA offers this program to empower members of the Jackson community with credible, nonpartisan, medically accurate information they can use both in their personal lives and to be better, more participative community citizens.
